At Lucas we've been manufacturing quality ingredients for butchers and food retailers since 1926. With many "firsts" to our name, including the development of yeastless rusk all those years ago and more recently the introduction of flavoured complete cure blends, we've remained at the forefront of many important developments in the manufacture of food ingredients. Our track-record of supporting butchers and other food retailers over the years will surely continue and our customers can rely on our ongoing commitment. Lucas Ingredients is a division of Kerry PLC.
